

COUNTY OF MARION, STATE OF INDIANA  
EXECUTIVE ORDER NO. 3, 1997

DECLARATION OF REQUIREMENT FOR EXPENDITURE  
OF MONEY IN THE CUMULATIVE CAPITAL DEVELOPMENT FUND

WHEREAS, the Prime Computer System for child support administration in the Office of the Marion County Prosecutor was installed in the early 1980's and is ever more subject to breakdowns, scarcity of replacement parts, and noncompliance with the Year 2000 issue; and

WHEREAS, the Prosecutor's Office Support Division will lease new facilities beginning January 1, 1998 and there exists substantial doubt that the Prime Computer system, once it is shut down for the move, will ever turn on again as a productive, functioning system; and

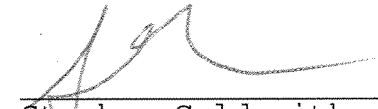

WHEREAS, these factors result in loss of productive time, and evidence a dire need to replace the Prime Computer System for the continued economic well-being of the county's children and the ability of the Prosecutor's Office effectively to enforce child support and promote fatherhood and family progress beyond welfare dependency; and

WHEREAS, the county's Cumulative Capital Development Fund has sufficient funds available to allow the Prosecutor's Office to replace the entire Prime Computer System, subject to Indiana Code Sections 36-9-14.5-8(c) and 36-9-15.5-8(c);

NOW THEREFORE, by virtue of the authority vested in me as Mayor of the City of Indianapolis and as successor at law to the Marion County Commissioners, it is hereby ordered and declared as follows:

1. The public health, safety and welfare is in immediate danger that requires the expenditure of money in the county's Cumulative Capital Development Fund for the purpose of replacement of the entire Prime Computer System for child support administration in the Office of the Marion County Prosecutor.

2. This Executive Order shall become effective on this, the \_\_\_\_ day of September, 1997.
